Ronnie and Chris: I'll join you tomorrow to provide support as we discussed. I made this reservation with my own fingers so the specific times and places may be changed (I'll let you know). I'd really like to talk with Dr. Charters tomorrow about how we convey risk. Would be great if I had orientation of the Joint Incident Command center in Durango and the Area Command Center in Farmington. Is there another center being staffed in Window Rock that is oriented to Navajo interests?
